Tork Universal Hand Towel Roll satisfies those seeking to achieve green status for their facility and purchase toweling produced with methods less harmful to the environment. This roll towel is 100% recycled and contains a minimum of 50% post-consumer waste and are Green Seal™ certified, which exceeds EPA guidelines. Controlled roll towels provide added value and benefits such as usage control and cost savings when combined with controlled roll towel dispensers. This quality roll towel is high-capacity and best suited for heavy traffic areas.
