BUG OFF!

Repels Mosquitoes, Chiggers, Ticks, Deer Flies, Stable Flies, Black Flies, Gnats and Fleas on Exposed Skin Surfaces.

Repels Biting Flies.

Repels Mosquitoes Which May Carry Diseases Such As West Nile Virus Encephalitis And Dengue.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read all directions before using this product.

To repel the listed insects, apply just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent re-application and saturation is unnecessary for effectiveness. To apply to face, spray into hands and rub on. Do not apply to eyes and mouth and do not apply to hands of young children. Do not spray directly on face. Do not apply over cuts, wounds, or irritated skin. Repeat as needed. For ticks and chiggers, also apply to shoe tops, socks, and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this may cause reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

Avoid contact with plastics, such as eyeglass frames, and such fabric as acetate rayon.

Do not spray in enclosed areas.
