

HERWEFOAM FRESH

Skin Cleansing Foam without scrubbing agents

Description:	HERWEFOAM FRESH perfume-free is a rich, creamy and easy spreading skin cleansing foam without scrubbing agents with a pleasant light fragrance.
Ingredients (INCI):	AQUA (WATER), COCAMIDOPROPYL BETAINE, GLYCERIN, DISODIUM LAURETH SULFOSUCCINATE, SODIUM LAURETH SULFATE, PEG-120 METHYL GLUCOSE DIOLEATE, DICAPRYLYL ETHER, LAURYL ALCOHOL, PHENOXYETHANOL, SODIUM BENZOATE, CITRIC ACID
Properties:	HERWEFOAM FRESH perfume-free is a slightly orange colored skin cleansing foam with moisturizing agents and skin care lipids and contains mild surfactants. Therefore, HERWEFOAM FRESH perfume-free is suitable for hands, skin and face and gently cleanses light dirt. HERWEFOAM FRESH perfume-free is pH-neutral and suitable for all skin types, the skin compatibility has been dermatologically tested. HERWEFOAM FRESH perfume-free is free of microplastic beads. The concentrate is dispensed by a foam pump and, therefore, is very economical to use and resource friendly. A 1 L bottle will provide about 2500 foam applications.
Area of use:	HERWEFOAM FRESH perfume-free is a special skin cleansing foam that is ideal for daily, hygienic cleaning and is well suited for frequent use. HERWEFOAM FRESH can be used in many work areas, e.g. in the washroom, office, administration, hospital, nursing home, senior living, etc. It has proven itself in the food processing industry/trade and meets the requirements placed on skin products within the framework of a HACCP concept.
Application:	Add a reasonable amount of HERWEFOAM FRESH perfume-free to the dry or slightly moistened skin, spread and lather. The rich and creamy foam can be rinsed quickly with water.
Regulatory:	HERWEFOAM FRESH perfume-free is subject to the FDA and EU Cosmetics Regulation and complies with it in its current version. Labelling in accordance with the Hazardous Substances Ordinance is no longer required.
Storage and shelf life:	HERWEFOAM FRESH perfume-free can be used in closed containers at room temperature for 30 months (from the date of manufacture). The respective shelf life date is indicated on the packaging.
Packaging sizes:	1000 ml VIVA dispenser cartridge, 2000 ml VIVA dispenser cartridge
Recycling:	The cartons and plastic packaging can be recycled.
