HMIS RATINGS

Coil Cleaner

COIL CLEANER eliminates the need for high pressure sprayers or bulky tank sprayers. Spray **COIL CLEANER** evenly over entire coil from the air intake side. No rinsing required. Dirt and lint washes away with condensate.

DIRECTIONS

Protective eye wear is recommended. Turn fan OFF. Shake can well before using. Remove matted material with brush or fine comb. Hold can 12 inches from air intake side of coil. Spray evenly on to coil, being sure to cover entire coil. Turn fan ON. No rinsing required.
