Product Description

Cascades PRO Tuff-Job® airlaid wipers have physical attributes of high absorbency, bulk, softness, and strength. Its superior strength and durability contribute to its economical cost per use for maintenance and machine shops, automotive and manufacturing facilities for liquid, grease and oil cleanups. Versatile material that delivers a strong performance in many general purpose uses such as patient care washcloth. Its reclosable twist-tie polybag allows for wipes to remain protected and portable for all market segments.
