

NU-HIDE®

Vinyl and Plastic Rejuvenator Polish

DESCRIPTION

NU-HIDE shines and protects leather, vinyl, rubber, chrome, stainless steel and Formica™. Protects against cracks, hardening, rot or dulling from sun, ozone and smog. NU-HIDE creates an elegant, smooth, static free wet look surface that resists water, dust, dirt and other soils. Leaves surfaces oil free and resistant to scuffs and fingerprints.

PRODUCT FEATURES / BENEFITS

- Multiple use / For use on plastics, including Plexiglas™, vinyl, wood laminates, rubber, leather, brass, chrome, stainless steel and most other non-woven materials
- Shines, restores, and protects surfaces / Imparts a deep luster while protecting against drying, fading, and cracking caused by sun, ozone, and smog
- Dissipates static charge / Actually retards the attraction of dust and other airborne soils
- Safe to use / Safe for virtually any non-woven material and to operations personnel
- Retards fingerprints and re-soiling / Saves time and labor by prolonging times between re-cleaning

DIRECTIONS FOR USE

Penetrates into plastic, vinyl, wood, laminates, rubber, leather and other resilient surfaces to give them new lustrous beauty and a longer product life. Shines and protects chrome, brass, stainless steel, copper, aluminum, and painted surfaces. Protects against cracks, hardening, rot or dulling from sun, ozone and smog. Creates an elegant, smooth, static-free, wet-look surface that resists water, dust, dirt and other soils. Surface is left completely

free of oily films that smear, scuff or finger mark. Actually reduces surface tension so that nothing adheres to treated surfaces and re-soiling is eliminated. Safe on all surfaces that will tolerate water. Non-toxic and non-flammable. Clean surface to be treated. Spray or wipe a uniform coat on the clean surface and allow to thoroughly dry. Buff to a beautiful, deep gloss finish. For maximum protection and beauty use three applications.

SPECIFICATIONS

Color White, Opaque
Odor None
pH 8.0 ± 0.3
High Temp. Stability (°F) 160
Low Temp. Stability (°F) 32

Freeze-Thaw Stable 2 Cycles
Specific Gravity (g/cc) 0.99 ± 0.01
Density (lbs/gal) 8.3 ± 0.1
Flash Point None
Shelf Life 1 year minimum in original unopened container

SAFETY INFORMATION

WARNING: CAUSES SERIOUS EYE IRRITATION. KEEP OUT OF REACH OF CHILDREN.

Prevention: Wash thoroughly after handling. Wear eye/face protection.

Response: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Storage: Store away from incompatible materials.

Disposal: Dispose of waste and residues in accordance with local authority requirements.

This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

All components are on the U.S. EPA TSCA Inventory List.

Additional safety measures:

Read the entire label and SDS before using this product, and for additional first-aid measures. SDS for this product is available on the web at www.nclonline.com

Meets the requirements for USDA Authorization Class A7.

For Commercial and Industrial Use Only
