

TOTAL

Non-Acid Bowl & Bathroom Cleaner

DESCRIPTION

An acid free, safe to use Bowl and Bathroom Cleaner which effectively cleans tough bowl stains and deodorizes. Removes lime scale, rust and mineral deposits. This non abrasive, mild formulation will not etch porcelain or pit fixtures. Accidental spills will not ruin carpeting or clothing. This product is a proprietary blend of materials designed to penetrate stains and soils commonly found in the bathroom environment. Formulated in a thickened fragrance base to insure good clinging and deodorizing action.

PRODUCT FEATURES / BENEFITS

- Contains no acid or strong alkalis / Has no irritating or toxic fumes.
- Safe for use on any bathroom surface / Will not damage any bathroom surface including fiberglass, acrylics, porcelains, enamels or brightwork.
- Can be safely used without goggles or gloves / Safe to use without cumbersome or uncomfortable safety equipment.
- Cleans and deodorizes in one easy operation / Cleans efficiently and leaves a fresh mint odor.
- Thick cleaning action. / High viscosity allows the cleaning action to cling to vertical surfaces.

DIRECTIONS FOR USE

Quickly cleans and deodorizes toilet bowls and urinals with the efficiency and speed of acids without containing harsh, corrosive or abrasive chemicals. Instantly dissolves rust, lime, calcium and uric acid stains. This product is so safe that it is also used for the cleaning of fixtures, scale, soap scum and body oils on any Bathroom surface. The product is thickened to cling to vertical surfaces, has a pleasant mint fragrance and a deep blue color.

For Toilet Bowls and Urinals: Using the dispenser bottle apply the product liberally under the water rim and allow to flow down into the water basin. Allow to stand for at least 10 minutes, then agitate with a bowl brush or bowl mop paying particular attention to the water line and trap areas. Flush away the product.

To Prevent Metals Stains in Toilet Bowls: Pour 4 to 6 ounces of TOTAL into the toilet tank in the evening and allow to stand overnight. Flush twice in the morning to clean out rust and scale from tank and thereby avoiding deposits in the bowl. Repeat about once every week.

For General Bathroom Cleaning: Apply using the dispenser bottle to vertical surface of sink, tub and shower stall and enclosures. Spread over surface with a cloth, sponge or brush and allow to work for a few minutes. Agitate to loosen soil and rinse with clear water.

SPECIFICATIONS

Color.....	Deep Blue
Odor.....	Strong Fresh Mint
pH.....	7.3 ± 0.5
Dilution.....	Ready To Use
Specific Gravity (g/cc).....	1.04 ± 0.01
Density (lbs/gal).....	8.6 ± 0.1
Viscosity (cps).....	1200 ± 300
