

LK[®] Wet Umbrella Bags

WHERE ARE WET UMBRELLA BAGS USED?

Wet Umbrella Bags are used in public/institutional facilities, retail stores and malls, restaurants, office buildings etc. Be prepared for inclement weather by keeping these bags on hand at all times. They're inexpensive insurance against a huge potential loss.

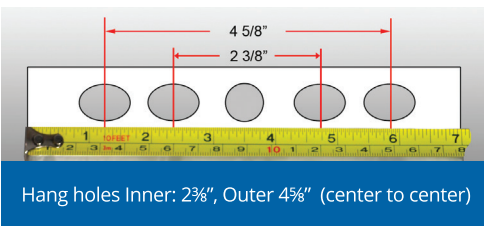

A wet umbrella dripping on the floor can be a real hazard that can lead to serious injury and thousands of dollars in expenses. Did you know:

- The average cost of a slip and fall injury is \$28,000
- 85% of workers comp claims are from workers slipping on slick floors
- Injuries due to slip and fall accidents account for 1 million emergency room visits a year in the U.S.

Don't take a chance! Wet Umbrella Bags are cheap insurance against loss.
