Treat symptomatically.

Odorcide Concentrate Safety Data Sheet

SECTION 5: Firefighting measures Extinguishing media 5.1. Suitable extinguishing media : Use suitable extinguishing media for surrounding fire. Unsuitable extinguishing media • None Special hazards arising from the substance or mixture 5.2. Fire hazard : None known. Explosion hazard None. Reactivity : None. 5.3. Advice for firefighters **Firefighting instructions** : Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering environment. Protection during firefighting Do not enter fire area without proper protective equipment, including respiratory protection. SECTION 6: Accidental release measures Personal precautions, protective equipment and emergency procedures 6.1. General measures : No special measures needed. 6.1.1. For non-emergency personnel Emergency procedures : Evacuate unnecessary personnel. 6.1.2. For emergency responders Protective equipment Do not attempt to take action without suitable protective equipment. Equip cleanup crew with proper protection. For further information refer to section 8: "Exposure controls/personal protection". Ventilate area. Emergency procedures 6.2. **Environmental precautions** Avoid release to the environment. Prevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters. 6.3. Methods and material for containment and cleaning up : Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible. Collect Methods for cleaning up spillage. Store away from other materials. Notify authorities if product enters sewers or public waters. Other information : Dispose of materials or solid residues at an authorized site. 6.4. **Reference to other sections** See Heading 8. Exposure controls and personal protection. For further information refer to section 13. SECTION 7: Handling and storage 7.1. Precautions for safe handling : Wash hands and other exposed areas with mild soap and water before eating, drinking or Precautions for safe handling smoking and when leaving work. Wear personal protective equipment. Avoid contact with skin and eyes. Contaminated work clothing should not be allowed out of the workplace. Wash contaminated Hygiene measures clothing before reuse. Do not eat, drink or smoke when using this product. Always wash hands after handling the product. Conditions for safe storage, including any incompatibilities 7.2. Storage conditions : Keep only in the original container in a cool, well ventilated place. Keep container tightly closed. SECTION 8: Exposure controls/personal protection 8.1. **Control parameters** Water (7732-18-5) Not applicable Alcohols, C9-11, ethoxylated (68439-46-3)

Not applicable

Odorcide Concentrate

Safety Data Sheet

8.2. Exposure controls	
Appropriate engineering controls	: Ensure good ventilation of the work station.
Personal protective equipment	: Avoid all unnecessary exposure.
Hand protection	: Wear protective gloves.
Eye protection	: Chemical goggles or safety glasses.
Skin and body protection	: Wear suitable protective clothing.
Respiratory protection	: None needed under normal product use conditions. If fogging, wear protective respritory equipment.
Environmental exposure controls	: Avoid release to the environment.

SECTION 9: Physical and chemical properties 9.1. Information on basic physical and chemical properties Physical state : Liquid Color : Colorless Odor : Fragrant : No data available Odor threshold pН ÷ 7 Not applicable Melting point ÷ Freezing point : No data available Boiling point No data available : Flash point : > 60.5 °C (>141 F) Relative evaporation rate (butyl acetate=1) : No data available Not flammable. Flammability Vapor pressure : No data available Relative vapor density at 20°C : No data available

No data available

:

Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available
Explosion limits	: No data available
Explosive properties	: No data available
Oxidizing properties	: No data available

Partition coefficient n-octanol/water (Log Pow)

9.2. Other information

Relative density

Auto-ignition temperature

Decomposition temperature

Solubility

No additional information available

SECTION 10: Stability and reactivity
10.1. Reactivity
Product is stable under normal use conditions.
10.2. Chemical stability
Product is stable under normal use conditions.
10.3. Possibility of hazardous reactions
Will not occur.
10.4. Conditions to avoid
Extremely high or low temperatures.
10.5. Incompatible materials
None.
10.6. Hazardous decomposition products
Not determined.

Odorcide Concentrate

Safety Data Sheet

SECTI	ON 11: Toxicological information
11.1.	Information on toxicological effects

Acute toxicity	: Not classified
Water (7732-18-5)	
LD50 oral rat	> 90 ml/kg
Alcohols, C9-11, ethoxylated (68439-46	-3)
LD50 oral rat	1400 mg/kg
ATE US (oral)	1378 mg/kg
Skin corrosion/irritation	: Not classified
Serious eye damage/irritation	: Not classified
Respiratory or skin sensitization	: Not classified
Germ cell mutagenicity	: Not classified
Carcinogenicity	: Not classified
Reproductive toxicity	: Not classified
STOT-single exposure	: Not classified
STOT-repeated exposure	: Not classified
Aspiration hazard	: Not classified
SECTION 12: Ecological informa	tion
12.1. Toxicity	
Ecology - general	: The product is not considered harmful to aquatic organisms or to cause long-term adverse effects in the environment.
12.2. Persistence and degradability	
No additional information available	
12.3. Bioaccumulative potential	
No additional information available	
12.4. Mobility in soil	
No additional information available	
12.5. Other adverse effects	
Other information	: Avoid release to the environment.

SECTION 13: Disposal consideration	15
13.1. Waste treatment methods	
Waste treatment methods	: Dispose of contents/container in accordance with licensed collector's sorting instructions.
Product/Packaging disposal recommendations	: Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.
Ecology - waste materials	: Avoid release to the environment.
SECTION 14: Transport information	

Department of Transportation (DOT) In accordance with DOT Not applicable

SECTION 15: Regulatory information

15.1. US Federal regulations

Odorcide Concentrates
